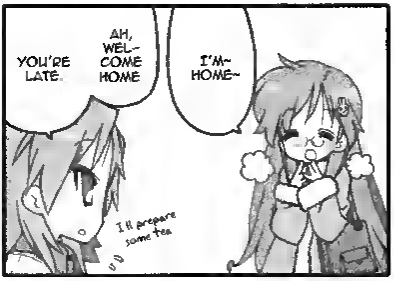
Q Question to Hikage-chan

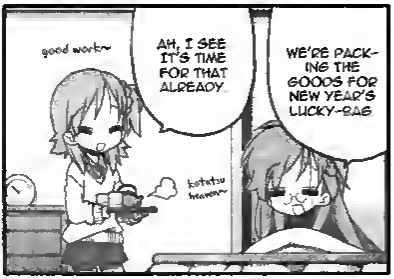
How much is your monthly food expense?

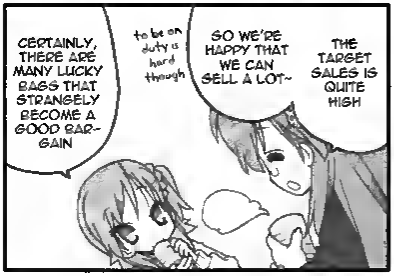
A

there are easy times and hard times
which one would you like to know?
...or rather, haven't you know already?

Some kind of suspicion







CERTAINLY, THERE ARE MANY LUCKY BAGS THAT STRANGELY BECOME A GOOD BARGAIN
to be on duty is hard though
SO WE'RE HAPPY THAT WE CAN SELL A LOT~
THE TARGET SALES IS QUITE HIGH

so blunt

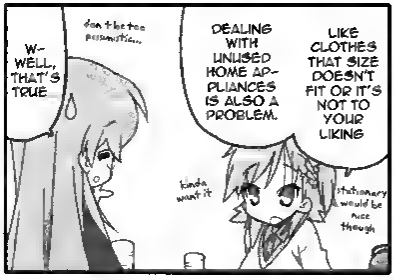
How long are you going to sleep?

EVEN IF WE GET THE ITEM THAT WE WANT, THERE'S STILL A POSSIBILITY THAT IT'S UN-USEABLE...
BUT STILL...

WHEN YOU SAY IT LIKE THAT, THERE ARE ALSO ALOT OF PEOPLE WHO DIDN'T BUY IT



W-WELL, THAT'S TRUE...
don't be too pessimistic...
DEALING WITH UNUSED HOME AP-PLIANCES IS ALSO A PROBLEM.
LIKE CLOTHES THAT SIZE DOESN'T FIT OR IT'S NOT TO YOUR LIKING
kinda want it
that money would be nice though

SOME HOPING THAT EVEN IF THEY GET THE WRONG ITEM, THEY D STILL GET SOME-THING THAT THEY INTER-ESTED IN.
SOME PEOPLE GIVEN UP, EVEN WHEN THEY HAVE VARIOUS THINGS THEY WANT.
In short, theres chance to get what you want

YOU ALSO GET WHAT YOU DON'T WANT BE-CAUSE IT'S SOLD BUNDLED TO-GETHER
BUT IT'S TRUE... TO GET WHAT YOU WANT...

Miyakawa Family

THE HUNGRY PEOPLE

- **Miyakawa Hinata　　Miyakawa Hikage**

I think You already know, but these two were created as Game Original Character when Lucky☆star were made into Game for the first time

It may be irresponsible,
but I don't remember the detail
There're sisters, the older sister
rent a home by working for several
part-time jobs. Since they're sisters,
I want their hair style have something in
common, that is all the outline I had when
I made the character. To be honest, I still have
no idea what kind of character I will draw
(well, I maybe had some other idea)
The sisters were poor. They live together,
only the two of them. Because 'having
several part-time jobs', from that point,
I threw in whatever idea I had. I got no
instruction whatsoever about the character design at that moment.
That Hikage-chan became such a worldly wiseman was perhaps my fault.
Please forgive me, don't hit me!! In the manga, the birth of the characters was
relatively similar. It was almost like it started with no-plan. I was aware that
Lucky☆Star doesn't really deviate from reality. (Of course it does!! It's plenty
deviated!! is how I got commented) I wonder if I should have that part where
it has gag that went a bit over here too. afterall, Lucky☆Star can handle
such content just fine
That's what I had in mind of how It goes.
That's how the story of the sisters started.
Somehow it end up going well and I'm grateful

- **Koike Erika**

The character created as Hikage's friends along with Yukina which will be
mentioned later, to give color to Hikage's school life. Has no problem quarreling
with the boys. Has many worries. A bit Precocious child.
In this era, such factors have indeed taken charge.
Thinking what a child like this is thinking is hard.
Drawing is fun and at the same time it's hard to find inspiration.

• Utsumi Yukina

The character created along with the aforementioned Erika as Hikage's Classmate. It's common in Yoshimizu world, very kind girls are shy. In Lucky☆Star, it's hard to touch love affair subject, so let's touch that subject a little in Kuufuku. And so, that feature has become the focus.
Girls in love are cute you know!!

• Mizushima Daisuke

Guys like this are everywhere! the kind of guy who meddle with the girls like that. As the one with the role to tease Hikage, he's an important "Boy Character of the same age" that yet again gives different color from Lucky☆Star.
Although it is said that he's childhood friend with Yukina, they're still elementary school students. I wonder if it's okay to use that word to describe them. I've been thinking about that lately.

• Osawa Kazuhiko

The person who understands Hikage, and the Goofy male teacher. From the time the heroines appeared in published magazine, when moving to Comp Ace, we used it without realizing. Told by The editor, "for once(in this magazine) in a new serial, the first character was a guy. Wow."
It really stuck in my head.
When I see it, it's true (laugh)

• Koizumi Marina

Currently, she's the female teacher who become Osawa sensei's teasing object. To make it different from Lucky☆Star, we also took in the unknown mood point like Koizumi sensei. All the people from Hikage side are here, but not from Hinata Side, is what troubled me now.

Hello, Yoshimizu here.

The Miyakawa sisters that were born as Lucky ☆Star original game character has become a manga volume. Of course I have played the game at that time. first, I'm surprised myself. even now, it's like something still confuses me. It's a strange feeling.

Like usual, there seem to be many flaws, but if by bringing this book to your hand can fills everyone's hungry heart even for a little, for me there's nothing more glutting than this.
